All the fun of the fair ANNUAL EVENT HAILED BIG SUCCESS

THE Rotary Club of Crewkerne District has hailed this year's street fair a big success.

Falkland Square was filled with market stalls from 9.30am on Friday September 4th until the official fair opening at 5.45pm.

town crier David Craner and Rotary Club president

Visitors to the Fair then enjoyed a fun-filled evening on the various rides, with children cuddling up to a Minion, Mickey Mouse, Peppa Pig, Snow White and two characters from Disney's Frozen.

Saturday started with market stalls in Falkland Square and, new for this year, the George Precinct, which was very well attended.

Crewkerne Street Fair PR and media officer Sandra Shore said: "Thirty people once again enjoyed the free walk of the parish boundary.

"Positive comments have been received with some saying that they were pleased to see that the market stalls were increasing and it was getting more like the old

"Evening visitors also enjoyed a mini-hog roast and beer festival with live music at Oscar's Wine Bar and the Conservative Club on Friday and Saturday

"Other residents congratulated the Rotary Club on the improvement to the traffic systems, stating that they got to their destinations quicker than on normal

"Another improvement were the barriers around the fun fair, which made it much safer for revellers enjoying the rides.

"The Rotary Club of Crewkerne District would like to thank the local business sponsors of the fair, and the residents of Crewkerne for their continued sup-

THE rejuvenated Websters site in Axminster will return to active life by hosting the carnival fun-

Pulman's View can reveal that the sheer space of the site was so appealing that Herbert's Funfair decided to move away from its traditional base at Coombe Lane Car Park.

After decades of dereliction, the prominent Websters site will finally serve a purpose again.

The site is owned by Hallmark Estates (Devon) Limited, and director Neal Hiscocks said: "You'll no doubt have been watching the progress of our clearance of Websters over recent months.

"I'm delighted to report that we're nearing the end of the process, so there shouldn't be many more weeks before the new car park

As previously reported, permission was given last year to turn the site into a car park for up to five years until a permanent solution for the site is found.

Mr Hiscocks added: "In the meantime, the size of the space we've created has caught the eye of many parties including those with interests in the town's Carnival Week.

"Plainly, we have fewer residential neighbours than the usual site of the funfair in Coombe Lane and we were approached to be its 2015 location.

"After talks and consultation with East Devon District Council, I can confirm that Herbert's Funfair will indeed be occupying Websters from Sunday, September 13th until Sunday, September 20th, playing their part in Axminster Carnival Week's activities.

"As part of the agreement and upon departure on the 20th, the site is to be left tidy and litter-

"Then shortly afterwards, we look forward to announcing in the local press more details about the operation of a spacious and brand new carpark in the most convenient and central location possible in the town.'

Revised homes plan for outskirts of town

REVISED plans for a 20-house development on the outskirts of Seaton, with reduced affordable housing, has been backed by planners. Outline planning permission for up to 21 houses

(with 40 per cent affordable housing) on land west of Barnard's Hill Lane has already been given by East Devon District Council (EDDC). But a revised application for up to 20 houses

(with 25 per cent affordable housing) will be heard by EDDC's Development Management Committee today (Tuesday).

The application has been referred to the committee because Seaton Town Council disagrees with EDDC planning officers.

Seaton Town Council opposes the application for a number of reasons, including highway concerns and the site being outside of the built-up boundary area.

EDDC has also received seven letters of objections from members of the public.

MP offers to help widen support network for Access for All charity

AFTER visiting Access for All, Yeovil MP Marcus Fysh agreed to help the charity widen its support network.

Previously known as South Somerset Disability Forum, Access for All has been running for more than 10 years, providing behind the scenes advice on disability issues to South Somerset District Council, Yeovil Town Council, businesses, and other organisations.

Mr Fysh said: "It is fantastic to see such a committed group working hard to ensure South Somerset is future-proofed for disabled people. Many residents may not realise the work that is already being done, and it is important we continue to support such groups.

"Sometimes simple items like A-boards can cause real issues for dis-

abled people - but not everyone thinks of such things.

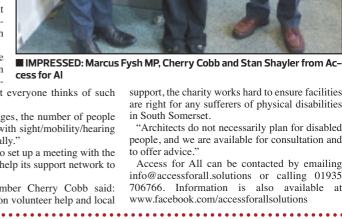

"As the population ages, the number of people who will have issues with sight/mobility/hearing will increase dramatically."

Mr Fysh has agreed to set up a meeting with the charity with a view to help its support network to widen.

County council raises the Red Ensign for Merchant Navy day

SOMERSET County Council proudly joined a host of local authorities across the country on Thursday in raising the Red Ensign flag to thank our

Supporting a nationwide call from the Seafarers UK charity and the Merchant Navy Association, the UK Merchant Navy's official flag, the Red Ensign, was flying on public buildings and landmark flagstaffs across the land last week to mark Merchant Navy Day.

With full endorsement from the Seafarers UK charity's president, HRH The Earl of Wessex, Somerset County councillor Christopher Le Hardy and Chelsea White, a representative of the Youth Parliament, raised the Red Ensign outside County Hall at 10am on Thursday.

They were joined by a number of invited dignitaries including six members of the Pill & North Somerset branch Merchant Navy Association.

The council's chairman. Councillor Christine Lawrence, and Councilor Derek Yeomans both gave speeches of thanks before Councillor Lawrence invited guests to join her for refreshments after enjoying music sung by the council's choir. Canticle.

The event aims to raise awareness of the UK's on-going dependence on Merchant Navy seafarers, remember the sacrifices they made during wars where they incurred heavy losses whilst endeavouring to supply the nation with valued goods - whilst celebrating the important work they continue to do.

As an island nation, the UK relies on Merchant

Navy seafarers for 95 per cent of its imports, including half the food we eat. The UK has the largest ports industry in Europe, with 75 per cent of our exports shipped from UK ports. Some of which supported the campaign by encouraging visiting ships to sound their horns at 10am today.

It is hoped that Merchant Navy Day will become a celebrated annual event with local authorities and public buildings across the land paying thanks to seafarers on this day.

Councillor Lawrence said: "Somerset County Council is proud and honoured to support Merchant Navy Day. Too often, seafarers are the forgotten or invisible service. By raising the flag today, they are remembered. We depend on our seafarers to defend our shores, trade with other countries and import essential food and fuel. The job of a seafarer is therefore vital, but also demanding and hazardous with a much greater chance of injury than many other professions."

The Seafarers UK charity's president, HRH The Earl of Wessex, said: "On this Merchant Navy Day, I very much hope you will support this campaign to remember the sacrifices, salute the courage and support the future of the often unsung personnel of our Merchant Navy.'

Tim Bull, chairman of the Pill & North Somerset branch Merchant Navy Association said: "Thank you to everyone for attending today. Often the Merchant Navy is forgotten, but today our work has been remembered."

Somerset councils join forces to outline case for devolution deal with government

SOMERSET County Council and 19 partners across the region last week outlined their case for a devolution deal which would benefit the South West and the whole of the UK.

A "Statement of Intent" has been submitted to government in response to its appetite to devolve powers and budgets from Westminster. With key themes of economic growth; health, social care and wellbeing; and infrastructure and local resilience, the document is not a fully worked-up proposal, but sets the scene for discussions with government about what powers could be devolved.

It has been prepared by Somerset and Devon local authorities and follows meetings held in August, kicked-off by a devolution summit organised by Somerset County Council.

In total, 20 local partners are involved in the submission, which will have the support and endorsement of the business community through the Heart of the South West Local Enterprise Partnership, which covers Devon, Plymouth, Somerset and Tor-

Councillor John Osman, leader of the county council, who called the initial August summit, said: "A lot of authorities have done a lot of work in a very short time to prepare this document - that's another example of what can be achieved when authorities in the region pull together where we have common ground.

"These are very early stages, but we are ambitious and believe that devolution would help us create jobs, build the right infrastructure and make progress on key issues like health and social care be working very closely with them in the coming weeks and months to move things forward."

Speaking on behalf of Somerset's five district councils, Councillor John Williams, leader of Taunton Deane Borough Council, added: "This is a fantastic opportunity for all Authorities across Somerset to accept devolved powers with budgets and demonstrate we can deliver improved outcomes for our community.

"In getting this joint statement together we have seen remarkable cross-council and cross-border working. With those shared aims already evident it augurs well for the preparation of the fully worked up details for our devolution proposals yet to come.

"This is all about Somerset councils working together to maximise opportunities to enable us to punch above our weight. The level of cooperation between all Somerset councils is to be applauded. We now have our statement of intent which sets out how we can take control of the all-important themes proposed and move to a fully worked up submission. The need to deliver better outcomes for our communities is paramount.'

Steve Hindley, chairman of the Heart of the South West Local Enterprise Partnership commented: "The Heart of the South West LEP is delighted to be a partner alongside the local authorities in their proposed deal for devolution.

'We will be actively supporting and continuing to work with business to bring about step-change in investment to leverage transformational growth, generate more prosperity and unleashing the area's economic potential."

The "Statement of Intent" is now available to

The partners involved in the devolution Statement of Intent are as follows: Heart of the South West LEP; Somerset County Council; Somerset's district and borough councils in Mendip, Sedgemoor, South Somerset, Taunton Deane and West

and borough councils in East Devon, Mid Devon, North Devon, South Hams, Teignbridge, Torridge and West Devon; Plymouth City Council; Exeter City Council; Torbay Council; Exmoor National Park; Dartmoor National Park.

Martin Hacker, communications officer, said: "We identified the need for a Facebook page just over a year ago and believe that we are now reaching more than an extra 1,000 local residents than previously. It's important to ensure residents are kept up to date and know what their local council is doing. We welcome and invite people to comment and communicate with us on our social media sites.

Councillor Ric Pallister, leader of South Somerset District Council, added: "Communicating, informing and reaching as many residents as we possibly can is a vital task for SSDC especially in this changing electronic world. Our task is to ensure that we can reach

all our residents in a way that is easy for them, be that by traditional means or through the use of modern technology. Our communications team implemented the Facebook page with that very much in mind. With a social media reach of around 5,000 residents before sharing and retweets, we consider this as a very important channel of communication."

Chard motor club holds annual uphill challenge

WINDWHISTLE Motor Club from Chard held their annual Uphill Challenge Trial at Boshill in East Devon.

Club members from around the area, along with members from the Devon Austin Seven Club took part in the trial.

The challenge was to negotiate a series of pegged out, tight twisting route on hills and slopes without hitting any of the pegs. The competitor who completed the set challenges with the fewest penalties, i.e. not hitting the pegs was the winner.

This years overall winner was Nick Farmer from Taunton who completed the event in a Hillman Imp with only two penalties incurred. Twenty eight vehicles ranging from specialist trial cars to everyday road cars of various makes and ages competed on this fun event.

Ambulance charity looking for real-life first aid stories

ST John Ambulance is appealing for parents, grandparents and carers from Somerset to come forward with real-life stories of how they've used first aid to save youngsters' lives.

The charity's training and community projects manager, Jim Jones said: "Every year across Somerset we train hundreds of people in vital first aid skills. No-one should suffer from the lack of a trained first aider and we know that real-life examples of people saving lives inspire more people to learn first aid.

"We especially need stories from Somerset people who've given emergency first aid to babies and young children; if you think your experience could inspire the next generation of life savers we'd love to hear from you.'

Hotel launches walking rugby for the over 50s

Chard, is introducing walking rugby to the over 50s.

Warner Leisure Hotels invited Rugby World Cup winner Martin Corry to raise the profile of the sport before introducing walking rugby to the Somerset hotel's activity programme. Apart from getting people active, the introduction also celebrates that the Rugby World Cup is to be played in England and Wales, starting later this month.

According to Warner Leisure Hotels research, nearly one in two (46 per cent) of over 50s would like to see team sports, such as rugby, slowed down to make it more accessible. As well as reducing the pace, over 50s have called for shorter matches (56 per cent), mixed sex teams (29 per cent) and no jumping or high kicking (28 per cent).

The hotel chain has trialled the walking concept of the traditional game since last year, with Mr Corry's assistance.

He said: "I've seen various types of rugby in the form of touch and veteran, the carefully adapted rules in walking rugby mean that even those who would never have thought to play the game, are now able to enjoy its offering. By changing simple rules such as no running, high kicks and holding the ball for a maximum of three seconds, you can see people of all abilities and ages taking part in the usually high-contact

game.
"The trials have proved how enjoyable it is with people from ages 50-80 not wanting to leave the pitch.

"As people get older, it seems that team sports like rugby are not as available as they used to be - it's a huge shame as Warner's Walking Rugby trials have shown us how popular team sports are and it's incredible to see this sort of activity rolled out at a muchloved hotel group.

Warner Leisure Hotels marketing director Mark Finch added: "With the Rugby World Cup creeping up on us, there is lot of anticipation and excitement around rugby, and as our research shows, there is strong demand to take part in sports like this amongst our

Hotel guest, Jane Fowler, aged 61, commented: "It wasn't something that I thought I'd enjoy but once I got stuck into it, it was absolutely brilliant.

"I think it's so important to be part of a team and it's not something I would ever have thought of doing before trying it out with Warner Leisure. It really was great fun and so lovely to see people of all abilities and ages being able to take part."

Key rules of the walking game are: players must not run or jog while the game is in action; the ball must not be passed higher than shoulder height; the game will be split into four quarters of short duration; players cannot hold onto the ball for more than three seconds before passing; players cannot walk for more than ten metres before passing the ball; a try is scored by walking over the

More volunteers needed to continue support for Nepal

THE Chard-based office of the ActionAid charity, which has dealt with nearly £1.5million over the past three months raised following the devastating Nepal earthquake, has appealed for more volunteers.

Glyn Duke, head of supporter administration at ActionAid in Chard, said the charity relied on the generosity of supporters not only for cash donations – but also voluntary "We do have a very small, but very

loval band of volunteers who come into the office weekly and help us with the collation of mailings etc,"

"But the band is now depleted and if anyone has three hours a week that they could spare to come and help us and has an interest in our work, then we would be very appreciative of this."

The April 2015 Nepal earthquake killed more than 9,000 people and injured over 23,000.

At least half a million homes were severely damaged or destroyed by the earthquake with many in very poor, hard-to-reach areas. Agriculture too has been badly affected, with crop storage facilities destroyed and Nepal recording significant animal losses.

Glyn added: "We have spent £1.3million on our earthquake response and most of that money will have been received and processed via the via office here in Chard quite a feat.'

Councillor to support local groups with £5,000 budget

■ FUNDING BOST: Councillor Linda Vijeh (centre) presents money to Greenfylde First School's Claire Oaten and Vernon Higgins during a cash handout in previous years

ILMINSTER groups and organisations could win a slice of £5,000 which is being given away by the town's county councillor.

Councillor Linda Vijeh, who represents Ilminster at Somerset County Council, is once again looking to support groups by giving cash for health and wellbeing projects.

"One of the joys of being a county councillor is that when tight budgets allow we are allocated £5,000 to spend within our divisions on promoting health and wellbeing," said Councillor Vijeh.

"This certainly makes sense, as the more we can do to help and support people to live longer, healthier lives the better it is for all of us.

"As we age we are all going to have to face the

tough financial burden of medical and social care, and I know that having reached the ripe old age of 60 I am now beginning to feel the aches and twinges in my bones, and can't quite run around like I used

For the past two years Councillor Vijeh has tried to be creative in how she spends her £5,000 allocation.

The first year she gave £1,000 to each of the five schools in the Ilminster division, which was well used for all kinds of projects, including the Forest School at Greenfylde First School.

During the past year she has used money to fund Red Cross training for a number of community groups across the division, and despite the difficulties of setting up the sessions those who attended felt it was really worthwhile.

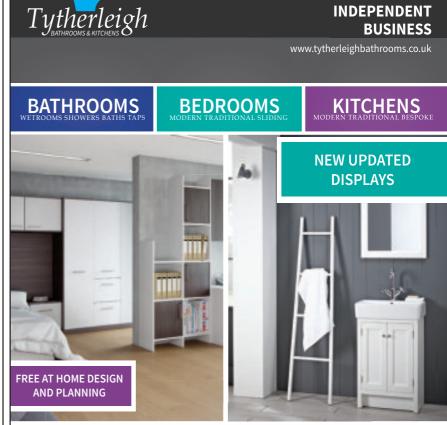

This year there is to be a slightly different focus in aiming to support locallyled activity, through voluntary or community groups that encourage people to connect together, particularly those who find it hard to integrate into their local community.

Councillor Vijeh said: "I know that there are lots of local groups who will really be able to benefit from this boost their funds.

"It is expected that those applying for a grant will submit applications for a minimum of £250. I would urge those interested to applying to do so at the earliest opportunity, preferably before the end of the year.

"I am happy to assist in completing the documentation and interested organisations should contact me in the first instance at lindavijeh@hotmail.com or on 0797 178 5069."

Foster carers deperately needed to take on brothers and sisters

FOSTER carers are desperately needed in Somerset's main town to look after brothers and sisters of all ages

Somerset County Council's Fostering Team will be holding an information session at Taunton's Holiday Inn Express on Saturday, September 12th between 10am and 12noon. Anyone thinking about fostering is encouraged to come along to find out more, and meet current foster carers and social workers.

You need to have at least one spare room and enthusiasm to provide a stable, supportive home to become a foster carer for brothers and sisters.

Between April 2014 and March 2015, 53 groups of siblings – totalling 135 children – were in need of foster care placements in the county.

Of these, two groups of siblings, identified as needing to be placed together, had to be placed separately due to the shortage of carers able to support sibling

A local, long-term fostering family is sought for Adrian, Anna and Ben, whose greatest wish is to be able to live together in the Taunton area.

Currently they are having to live separately. Adrian and Anna are intelligent and caring children who are both loving and affectionate towards Ben whenever they have contact with him.

They are very open children who are able to express how they are feeling. Ben can be a bit attention seeking and occasionally defiant, however he soon calms down and seeks cuddles and reassurance.

The council's spokesman for children and families, Councillor Frances Nicholson, said: "There is a shortage of foster carers for Somerset County Council who can foster children over the age of 10, and siblings.

"While taking on more than one child may seem a daunting prospect, it is often incredibly rewarding. As an authority we really want to increase the number of local foster carers.

"By doing so, we can help give children who find themselves in need of care in Somerset more options which enable them to stay close to home, and give them the grounding they deserve.

"If you are interested in making a difference to the life of a child – and, vitally, have at least one spare room – we'd love to hear from you."

The council offers competitive fees, as well as a pay and progression scheme which rewards carers who are able to help siblings to stay together.

To find out more about fostering with Somerset County Council, visit the website www.fosteradopt-somerset.org.uk or phone the team on 0800 5879 900.

Make 'Time for Tea' for St Margaret's

FUNDRAISERS at St Margaret's Hospice are asking people from across South Somerset to make Time for Tea and put the kettle on to raise funds to support the charity's work.

Whether it is about catching up with a friend, sharing memories and laughter or breaking difficult news – it is often over a cuppa that many words are shared.

St Margaret's Hospice is now hoping that people will make Time for Tea to raise money to help fund the work its does to support those facing life shortening illnesses and their families. Each home visit by a community nurse costs £126.

"We'd love you to join in the fun and help us fund

150 home visits by one of our community nurse specialists who provide tremendous clinical, emotional and practical support to patients and families," said a spokesman for St Margaret's.

"If you can hold a tea party and raise £126 – or send a gift towards our Time for Tea appeal – you will make such a difference to the families and patients we care for."

To receive a Time for Tea pack – which includes things such as posters and invitations – please call St Margaret's Hospice on 0845-3459671.

"You never know when you or someone you love may need our support," added the spokesman.

Car destroyed in Ashill fire

A CAR caught fire on the A358 near Ashill and was completely destroyed.

Fire crews were alerted at 3.40pm on Bank Holiday Monday, and a spokesperson for the fire and rescue service said: "One fire appliance was mobilised. Crews used two hose reel jets, two breathing apparatus and one let to extinguish the fire

ing apparatus and one jet to extinguish the fire.
"The car was completely destroyed by fire. The cause was believed to be accidental."

Jewellery expert visits art society

JEWELLERY expert and Bonham's senior valuer, Laura Smith, gave a "sparkling" lecture on "A brief illustrated history of jewellery" to end the Neroche Decorate and Fine Art Society (DFAS) season.

Laura is an expert in the history and significance of jewellery, its design and workmanship, and she shared her knowledge with her audience in an informative and well-illustrated talk.

The earliest pieces of jewellery referred to were from the 15th century. Very few pieces survive from this time and they illustrate that, at this stage, diamonds were used uncut.

Laura showed illustrations of pieces of jewellery from Georgian times, with a strong European influence; from the reign of William and Mary, when the financing of frequent wars meant gold was often in short supply; through the Victorian era; the Art Nouveau period and up to the present day.

She also showed members how jewellery design was influenced by fashions in dress, by hairstyles, by availability of materials and/or precious stones, and even by what members of royalty or olden-day "celebrities" were wearing.

Each period covered in Laura's talk was illustrated with photos and she included anecdotes about some of the objects in her own collection. She responded with good humour to questions from the audience, who felt that the evening had been both informative and entertaining.

At the end of the meeting, society chairman Deryk Outram thanked staff at Dillington House for their supporting hosting meetings

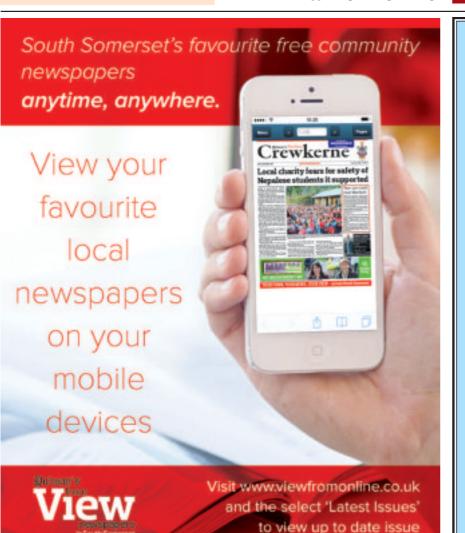

■ END OF SEASON: Laura Smith with her Bonham's colleague and Neroche DFAS chairman Deryk Outram

in past years. As of October, Neroche DFAS lectures will be held at the Tithe Barn at Haselbury Mill, Crewkerne TA18 7NY.

Neroche DFAS is the oldest branch of the National Association of DFAS in the South West and holds monthly talks by leading experts in their field, throughout the year.

BAD weather couldn't stop Ilminster's Party On The Park being enjoyed by organisers and visitors alike. It was reported that the rain delayed the arrival of many, but once it stopped organisers and stall holders reported a good day given the circumstances. The annual event was held on the recreation ground on Sunday, August 30th. After the event, organisers said: "Thanks to everyone who came along today. We hope you all enjoyed yourselves. See you again soon. Despite the organisers all being very sore and tired, we all enjoyed the day and are chuffed to bits that everyone came along and had a good time."

Prospective new firefighters invited to meeting at station

PROSPECTIVE on-call firefighters are welcome to an open evening at Crewkerne Fire Station on Tuesday, September 15th from 7.30pm.

Devon & Somerset Fire & Rescue Service is looking for people in the Crewkerne area to be oncall or "retained" firefighters, particularly between the hours of 6am and 8pm.

A spokesperson for the service said: "No previous experience of firefighting is necessary for this role – the ideal prospective firefighter starts with a commitment to the community, a positive attitude and a good level of fitness.

"This is an opportunity for men and women who live and/or work within five minutes response time to the fire station to potentially save lives in fire, flood and road traffic emergencies. Being on-call means that you provide a level of cover whilst at work or at home and when you are needed your pager will alert you to attend the station.

"People who can give cover during the day are

particularly needed. Many people have primary occupations whilst on-call - either employed or self-employed, the service has examples of employees in factories, shops, takeaways and restaurants who are on-call firefighters.

"You need to be over 18 and have a good level of fitness and strength, but sometimes people overestimate the levels required and this can deter them (particularly women) from applying.

"The service will give people advice and help in preparing for both the written and practical assessments. Equally, living with a disability is not automatically a barrier to operational fire-fighting; it depends on the nature of the disability."

Once a retained firefighter is recruited, full training is provided.

The spokesperson added: "If you are interested please come along to Crewkerne Fire Station and find out what it means to be an on-call firefighter."

Free museum entry for Heritage Open Days

Crewkerne & District Museum will celebrate Heritage Open Days with free entry from Thursday, September 10th to Sunday, September 13th.

Museum volunteer Janet Harris said: "Visitors will be able to view the new exhibition The Hidden Collection, which focuses on objects that are usually in storage.

"There is something for everyone – Crewkerne Town Band, animal traps from Youngs of Misterton, memorabilia from WWll and costumes from varying periods. And there will be a cabinet of curiosities for visitors to guess what they are.

The museum is open on the Thursday and Friday from 10am to 4pm, Saturday 10am to 5pm and Sunday 2pm to 5pm.

Janet added: "In addition for this weekend event, a transport theme showing railway, bicycling and carriage works from Crewkerne's past. Visitors who are interested in the architecture of Crewkerne will be able to pick up a free guide book.

"The Unitarian Chapel on Hermitage Street will be open on Saturday and Sunday, and the town cemetery on Mount Pleasant is open on Sunday 10am 1pm. So explore your heritage this coming weekend, all for free."

Be a firefighter!

PROSPECTIVE on-call firefighters are being invited to attend an open evening later this month at Crewkerne Fire Station.

Devon and Somerset Fire and Rescue Service is looking for people in the Crewkerne community to be on-call or 'retained' firefighters, particularly between the hours of 6am and 8pm.

No previous experience of fire-fighting is necessary for this role – the ideal prospective firefighter starts with a commitment to the community, a positive attitude and a good level of fitness.

An open evening will be held at the Crewkerne Fire Station in Blacknell Lane, Crewkerne, on Tuesday, September 15, 2015, at 7.30pm and will allow for potential recruits to find out what it means to be an on-call firefighter.

A Fire Service spokesman said: "This is an opportunity for men and women who live and/or work within five minutes response time to the fire station to potentially save lives in fire, flood and road traffic emergencies.

"Being on-call means that you provide a level of cover whilst at work or at home and when you are needed your pager will alert you to attend the station. People who can give cover during the day are particularly needed.

"Many people have primary occupations whilst on-call – either employed or self-employed, the Service has examples of employees in factories, shops, takeaways and restaurants who are on-call firefighters."

The spokesman added: "You need to be over 18 and have a good level of fitness and strength, but sometimes people overestimate the levels required and this can deter them – particularly women – from applying.

"The Service will give people advice and help in preparing for both the written and practical assessments. Equally living with a disability is not automatically a barrier to operational fire-fighting; it depends on the nature of the disability. Once you are recruited full training is provided."

Appreciative audience for string quartet church concert

■ PACKED: The concert was the hottest ticket in town and, below, the Valido String Quartet in action

CONCERT REVIEW By Paul Fisher

A MODERN rendition of Piazzolla's *Four for Tango*, including the simulation of sounds for sandpaper, drums and a whip, was expertly performed by the Valido String Quartet at this year's Sunday Afternoon of Classics in All Saints Church, Merriott.

The Valido performed another brilliant concert to an enthralled audience of over 130, who were also treated to string quartet compositions by Mozart and Beethoven during the afternoon.

The talented young musicians from New Zealand, Canada, Portugal and, of course, Merriott itself, raised over £700 towards the church fabric fund for the concert.

The audience were engaged throughout the performances, not only by the personal interplay between the musicians but also through the introduction of the individual pieces and a brief insight into the background of the composition and its composer. The afternoon was completed with an exhilarating encore rendition of the theme from the film *Pulp Fiction* arrangement for string quartet by the Ebene Quartet that rounded off the performance.

Teas and refreshments and a raffle were organised before the concert and the ladies of the village provided another great array of cakes.

These concerts held by Joseph Fisher and friends have been a great success for the church and community, bringing in new visitors to the church from a very wide area. A much appreciative thank you goes to all who helped to make it a very successful afternoon. This was the 15th concert held for the church, raising to date over £10,000 and attracting large audiences.

Ride & Stride around Somerset's churches

SATURDAY, September 12th is Ride & Stride day, when thousands of people across England are sponsored to tour churches on foot, bicycle or even horseback.

This year, those in Somerset who can't ride or stride can take part too – on special coach tours.

Locally, the event is co-ordinated by Somerset Churches Trust and there are five Ride & Stride routes to choose from in the county, and Bishop Peter Hancock and his wife Jane will be getting on their bikes to take in sites on the Wells route.

The Diocese of Bath and Wells is making sure those who are unable to ride or stride, or who prefer a more laid back approach, don't miss out. It has organised two luxury coach tours from Westonsuper-Mare on Thursday, September 10th and Saturday, September 12th.

Richard Tulloch, Church Use & Visitors Advisor at the diocese, said: "We felt it was a shame that

those who might find it a struggle to walk or cycle a long way miss out on the fun."

Chris Hawkings, who masterminds Ride & Stride locally, added: "We really appreciate the enthusiasm the diocese is showing for working with us, and hope this venture goes well.

"We are blessed with some beautiful churches in Somerset and the addition of bus tours to our Ride & Stride events will open them up to an even wider audience."

Tickets are £20 per person per trip and all profits from ticket sales will be donated to the trust. Coach passengers will also be encouraged to seek sponsorship, like the riders and striders, for each church visited.

Coach tour tickets and a full tour itinerary information are available from Richard Tulloch on 01725 511486, or by email at richard.tulloch@bathwells.anglican.org

Photographic display on carnival day

On carnival day, Saturday, September 12th, South Petherton Photographic Society holds its annual one-day exhibition showcasing members' different photographic interests and styles.

This year there will be a colourful and interesting gallery of prints with opportunities for visitors to share

their own photographic experiences with club members or ask for photographic advice, while relaxing over a cup of tea or coffee and cake.

The exhibition will be held in the Blake Hall from 10am to 4pm and admission is free.

Keen cyclists take part in Bike Fest

HUNDREDS of keen cyclists from across South Somerset saddled up and enjoyed Yeovil's first-ever Bike Fest earlier this month.

The Bike Fest event, which was organised by South Somerset District Council with help from Knightstone Housing, took place at Wyndham Park, Yeovil, and featured a wide variety of free activities including a pump track challenge, guided bike rides, cycle maintenance workshops and bike marking and security advice.

The council's senior play and youth facilities officer, Robert Parr, said: "We organised Bike Fest with the aim to celebrate all things bicycle, giving opportunities for more people to get involved in cycling.

"The event formed part of our holiday activities programme providing leisure opportunities with the added benefit of promoting active lifestyles and green transport.

"During the event we were also seeking the public's views on a proposed Bike Park for this site. Somerset County Council's Councillor Tony Lock has already al-located funding for this project which will be used to improve access between Wyndham Park and Yeovil Country Park.

"The potential bike park could include features such as a pump track, dirt jumps, mountain bike trails, north shore features and a skills area, all of which would provide more cycling facilities for Yeovil and South Somer-

Bike Fest not only gave young people the opportunity to enjoy free fun but also showcased local cycle themed organisations such as the charity Hope2Cycle who service and repair unwanted bikes and then sell them to support people who are socially excluded or recovering from health related problems.

Local company Kapz were also present, the Cary Fitzpaine-based company which recently supplied Sir Bradley Wiggins with the headset cap for his successful record breaking world hour record challenge.

The district council's leisure and culture spokesman, Councillor Sylvia Seal, said: "This is part of South Somerset District Council's ongoing work to increase and improve play opportunities for children in the district. I must particularly thank Knightstone Housing and Bucklers Mead Sports Centre for their support in making this event

Last chance to nominate for Gold Star Awards

TIMES is running out to nominate local young people and volunteers for a Gold Star Award

South Somerset District Council is urging anyone who knows an inspirational young person or an adult volunteer working with young people to nominate them for a Gold Star Award before the deadline tomorrow (Wednesday, September 9th).

The Gold Star Awards aim to showcase the breadth of talented, caring and hardworking young people as well as the volunteers who en-

able them to reach their full potential.

This will be the ninth year that South Somerset District Council has organised the awards and the closing date to nominate for one of the ten awards is approaching fast.

Steve Barnes, the Young Peoples Officer at South Somerset District Council, explains more about the idea behind the event, "We know that so many people put in hours of their own time to help young people in South Somerset and the Gold Star Awards celebrates the incredible work

that they do as well as the remarkable young people themselves.

"The show takes place at the Octagon Theatre on Tuesday 27 October and although there are ten awards to give out, the trophies are only a small part of what the Gold Star Awards are all about. This event aims to inspire other young people and volunteers by showing what a difference they can make to their communities.

"As part of the event we will also be showcasing the talent of local young people. Before the awards are handed out we will have short performances from groups including Castle Cary Amateur Theatrical Society and Yeovil based Infinity Martial Arts."

This will be the third time the Gold Star Awards are being held in partnership with the Western Gazette. Following last year, when more than 600 people were packed into the Octagon Theatre, anticipation is high for this year's event.

Councillor Sylvia Seal, South Somerset District Council's Portfolio Holder for Leisure & Culture said, "Through training and financial support South Somerset District Council is committed to supporting young people year round and this awards ceremony is our reward for so many local heroes.

"We would urge anyone who knows these special young people, volunteers or coaches to nominate them for a Gold Star Award. This event is about giving something back to our local heroes as well as sharing some remarkably inspirational stories."

■ SOUTH SOMERSET LETTERS

Tories 'never put themselves out' to meet their constituents

■ TORY councillor Linda Pigott-Vijeh asserts that MP surgeries will become a thing of the past (*Pulman's View From* letters, August 25th).

I would guess, as far as our MP Marcus Fysh is concerned, that that is already very much the case. Conservative MPs in my experience have never exactly put themselves out to meet with their constituents.

Having witnessed Mr Fysh's less than impressive performance at a hustings for the May election, I can understand that he is particularly keen to avoid further meetings with the public. I wonder if that will remain the case when he seeks re-election in five years' time. Will Marcus, and Linda come to

that, choose not to come out knocking on the doors of voters? Election time, after all, is traditionally the one time when you are certain to see Tories out meeting voters.

It seems almost churlish to point out that former Lib Dem MP David Laws, and his predecessor Paddy Ashdown, were both known personally to many thousands of their constituents through their weekly surgeries, which might help to explain why their party held the Yeovil constituency for 32 years.

Les Farris, South Petherton

Funding boost for youth clubs

MORE than a dozen Somerset youth clubs have been boosted with grant funding from Somerset County Council.

Fourteen youth clubs from across the county will receive a share of £35,000 to help run popular sessions for young people.

South Petherton Youth Club is among those to benefit, receiving £526 for their refuse collection.

The county council grants are matched by over £81,000 in locally raised funding and hundreds of hours in volunteers' time — all for the benefit of Somerset's young people.

Councillor Frances Nicholson, Somerset County Council's Cabinet Member for Children and Families, said: "I am pleased that we have been able to support our communities with these grants, which are a top-up to the funds they have already worked hard to raise locally.

"Many of these projects are heavily reliant or the generosity and dedication of volunteers. I'c like to thank them for everything they do, and hope the grant funding helps ensure these projects continue benefiting the young people of Somerset in the future."

Each of the projects bid for the grants and met certain criteria. Each application was assessed by a grant panel against the criteria and the value for money offered by the proposal. More information and application forms for future grants can be accessed at http://bit.ly/1VyRlk3

Gas Safety Week is a national safety campaign to raise awareness of gas safety in the UK's 23 million gas fuelled homes. It is co-ordinated by Gas Safe Register with support from the gas industry including retailers, manufacturers, consumer bodies and the public.

Why get involved?

Be part of a national safety campaign, joining thousands of organisations across the UK to help people stay safe as well as raising the profile of your organisation. Here are some of the reasons that businesses take part:

Corporate social responsibility - help to protect your customers and save lives.

September is the start of the heating season, many people will be turning on their boilers.

Gas Safety Week is a national campaign with extensive national and regional media coverage - the campaign reached over 147 million people in 2014.

4,321 organisations supported Gas Safety Week 2014 - don't miss out to your competitors.

Improve your brand awareness - all supporters appear on the website.

Keep your home safe

BADLY fitted and poorly serviced gas cookers, fires and boilers can put you at risk from carbon monoxide poisoning, gas leaks, fires and explosions. Just like you get your car MOT every year, you should have your home gas safety checked every year by a a Gas Safe registered engineer.

Check your gas appliances every year

Check your engineer is Gas Safe registered

Check your engineer's Gas Safe ID card

Did you know?

Every year thousands of people across the UK are diagnosed with carbon monoxide poisoning. It is a highly poisonous gas. You can't see it, taste it or smell it, but it can kill quickly with no warning.

Gas Safe Register estimates that there are around 7,500 illegal gas fitters operating across the UK and up to 250,000 illegal gas jobs may be carried out each year (Gas Safe Register Research 2009)

Although there is awareness that gas appliances need to be safety checked annually, 43% of Britons don't do it, and 10% have gas appliances which have never been checked (Gas Safety Week Research 2011).

Young People take the Lead

TWO YOUNG people play the lead roles in Tale Valley Community Theatre's (TVCT) new production 'They Dream of Home' which deals with WW1 and which specifically relates to the East Devon village of Payhembury.

Fifteen year old Catherine Davies a student at Uffculme School plays Gwen

who, in a burst of first love is attracted to village boy Albert (Bertie) Willis, as he is to her. Bertie is played by sixteen-year-old Caius Nicholas, a student at King's School, Ottery St Mary. Under the gaze of the close-knit and ever vigilant community they have no opportunity to declare or pursue that love before Bertie joins the Army. The audience see him and his best friend Thomas (Tom) Dimond being trained before they are shipped to France. We see them engaging in trench warfare and the Christmas Truce before they are both killed. Bertie and Tom are based on real characters whose names appear on the Pay-

hembury war memorial. Ken Dimond, the nephew of Tom lives very close to the memorial and will speak to the audience at the play's end. He has given permission for his uncle's identity to be used as has Jenny Shearn (née Willis), niece of

They Dream of Home is a promenade production. The scenes happen in a range of Payhembury locations and the actors and audience members walk from scene to scene, culminating at the War Memorial

They Dream of Home is laced with WW1 songs and music, supported by a 14piece brass and silver band. The musical director is Andy Hague. Audience members will sing the choruses as they move from scene to scene. Theatre special-effects specialists will create the atmosphere of the trench warfare and authentic uniforms and rifles will be used. Due to its promenade style in which the audience is often very close to the action, audience numbers are restricted to 120 for each performance on the 19th and 20th September. The Sirens are sounding good

Dowell St

Honiton

EX14 1LZ

IT'S BEEN a whirlwind year for Exeter based duo Sound of the Sirens since being endorsed by Freshman Guitars at last year's London Guitar show. It has seen them play at Frankfurt Musikmesse, Europe's largest music trade show (where they secured endorsements from Elixir Strings and Richter Straps), tour with local legends Mad Dog McCrea, support established artists like Nizlopi, Hayseed Dixie and Dodgy, launch a charity single for St Petrocks Homeless Charity, release their latest EF 'All We Have is Time', film a music video, make their Glastonbury festival debut and culminate with a live appearance on Chris Evans' breakfast show, followed up by a Main Stage performance at Carfest South to a crowd of 30,000 people.

Of their Glastonbury experience, Abbe said, "It was fantastic and we

gbeehive

were on such a high, to look out and see a tent full of smiling faces. To play at Carfest was just amazing; to see all of those people clapping away to our songs and cheering us was incredible. Our faces were aching from smiling so much! It was the best experience for us after working hard for so long in a notoriously tough industry and we couldn't be happier."

"Playing at such a great event for such a great cause (BBC Children in Need) was a privilege and we couldn't be happier with the response we got" added Hannah.

"We were obviously nervous about the radio show, but I don't think I thought about it enough beforehand because it's was a case of "right this is happening, get that planned get this organised, do that..." that I didn't actually think about what I was planning towards until suddenly the day was here and my stomach was just turning in circles. Then we got there and it was fine; don't even think about it; don't look at Facebook; don't look at your phone; don't look at messages; and don't think about everyone we know sitting around the radio like the 1940s or something listening to us.

'We are so grateful for the support of our friends and fans and their comments on our Facebook page and Twitter feed; we are extremely lucky to have such a great bunch of people behind us.

'We are eternally grateful to Chris Evans for giving us these opportunities - the radio slot and the festival were the highlights of our musical career so far, and what we have been aiming for all these years. We hope this leads to bigger and better things. In the meantime, we will carry on writing, performing and enjoying every minute of this journey and all

> of the opportunities that seem to keep coming our way. We definitely don't want the excitement to stop so we will keep pushing our luck to keep it going for as long as possible, and who knows where we will end up. We can't thank all of our amazing friends, family and fans enough, without them, we wouldn't have the belief in ourselves

to have pushed it this far. Sound of the Sirens will play at the Exeter Fanzone, Northernhay Gardens as part of the Rugby World Cup celebrations on Friday, September 18th, and at Mansons Guitar Show at Exeter Corn Exchange on Saturday, Oc-

Talented young musicians to play Concerts in the West series

THE RENOWNED American jazz saxophonist Charlie Parker famously said: "Don't play the saxophone. Let it play you". For many saxophone players, this quote sums up what is often a love hate relationship, but at just 23 years of age, saxophonist Huw Wiggin's 'Liquid gold tones' certainly sound like he's having a pretty good time playing his chosen instrument.

Wiggin is already in great demand both in the UK and abroad where he is recognised as a remarkable soloist and chamber musician. So it's understandable that Catherine Hodgson, the founder and director of Concerts in the West, is immensely excited to be welcoming Huw to the West Country where he will be touring in September for the music charity.

In what is after all a relatively short career to date, Huw has already notched up an impressive list of awards (including Commonwealth Musician of the Year), together with an action-packed high profile touring schedule. Highlights of 2015 in-

clude the commissioning of a Saxophone concerto, a return visit to the Edinburgh Festival, the opening performance in the Beaminster Festival and the release of a concerto CD. Amidst this he still manages to find time to continue his own studies, as well as teaching saxophone.

A review in *The Times* praised Huw for his "Liquid gold tones and enviable breath control", which explains why he is rated as one of the most popular saxophonists of his generation, despite only having graduated in 2012 from the Royal College of Music where he gained a Master's degree with distinction.

Huw Wiggin will be partnered throughout the September concert tour by pianist and conductor James Sherlock - another musical prodigy - who only made his debut in 2014 at the Carnegie and Tchaikovsky Halls. He will be appearing as a soloist with the London Philharmonic and English Chamber Orchestras, as well as performing three times at the Wigmore Hall and debuting at the Schubertiade Hohenems. He performs Bach's Das Wohltemperierte Klavier in the Edinburgh Festival and around the UK.

As a conductor he has been selected by the London Symphony and Berlin Philharmonic Orchestras to take part in the International Artists Academy, and will make return appearances with the Forest Philharmonic and Southbank Sinfonia, as well as with his own Ensemble Passio.

Sherlock is a winner of the Royal Overseas League Piano Competition

and the ROSL award for accompanists, Das Lied International Song Competition, the BBC Performing Arts Trust, Award for Young Concert Artists and Gold Medallist at the Marcello Galanti International Organ Competition.

Huw Wiggin and James Sherlock will perform a Coffee Concert at Bridport Arts Centre on Friday, September 18th from 11am-12pm (tickets £10/£8 from www.bridport-arts.com), and later that day at Ilminster Arts Centre at 8pm (tickets £15 from www.themeetinghouse.org.uk or by calling 01460 55783). The duo will also perform at The Hub, Church Street, Lyme Regis on Saturday, September 19th at 7.30pm (tickets £15 from Serendip, Lyme Regis 01297 442594).

A great venue for every occasion

KEVIN, Carole and Cohen welcome you to The Ridgeway. We have been here for over 27 years, and now that Cohen is a little older, we have increased opening hours.

The Ridgeway is open Tuesday through to Sunday for a traditional lunch. It is always best to call ahead if you are making a special journey as we do try to have the occasional day trip

If you are planning a party or celebration, why not call to discuss your arrangements? We have a civil license for wedding and civil ceremonies, or the Rafters restuarant is a great venue for those special birthdays or anniversaries, and is available for private hire.

Our Christmas menu is now out and we

cater for parties from mid-November until December 23rd, with two course menus starting from £15.99.

New for autumn 2015 is our wood fired oven, so come and try our authentic pizzas and watch them being cooked from £8.50. The sizzling rib steak platter for two is available for £25.

At the moment we are only lighting the oven on a Friday night, Saturday night and Sunday lunch, although book a party and we will exclusively light it for you (minimum eight people).

So why not visit the Ridgeway for great food, great atmosphere and great company?

FRANK PROPERTY ANNOUNCE THEIR LUXURY LONDON MINI-BREAK WINNERS

FRANK Property has just completed a successful Valuation Month which ran throughout August, where free, no obligation, market appraisals were carried out.

It was a fantastic success, which will be repeated next year. We gained some

frank®

wonderful new instructions, meeting lots of lovely people along the way. Every person we visited was then entered into a prize draw, with the chance to win a luxury mini-break in London, with tickets to see the acclaimed War Horse production.

We chose the winner, at random, on Friday 4th September, and are now pleased to announce the winners are Kevan and Tina Maguire from The Chattlebox in Seaton and pictured is Madi Apps (aged three) drawing

their names at our offices in Cross Street. Seaton. We hope Kevan and Tina have a wonderful time and we look forward to hearing all about it. For those who didn't win, may we take this opportunity to thank you for inviting us out to your homes - it was a pleasure to meet you and if we can help in any way in the future we would be pleased to be of assistance.

New FIAT 500 goes on sale

EXACTLY eight years and more than 1.5 million units since it was launched (on the 50th anniversary of the original car's launch) the successful and iconic FIAT 500 makes way for its successor: the New FIAT 500. Retaining the unmistakable look that has made it a global best-seller, the new FIAT 500 hasn't grown in size (L 3.57m / W 1.63m / H 1.49m / WB 2.30m) but instead has grown in maturity with advanced technologies, improved efficiency, even more customisation ideas and a Centro Stile FIAT-refreshed exterior and interior. No fewer than 1,800 changes have been

made to produce the New 500, all designed to enhance the ownership experience and refine its inimitable style. The most changes can be found at the front: New FIAT 500 retains the "face" of its predecessors with headlights which are still circular in shape but which adopt innovative polyellptical modules for improved night vision and extra safety. These clusters integrate the dipped-beam headlamps and turn signals, while lower light cluster integrates the main beam headlights and LED daytime running lights, which adopt the circular profile of the lamp to graphically reproduces the zeros of 500. The bonnet retains its distinctive, traditional clamshell form, another nod to its legendary predecessor, while the trapezoidal nose gets more pronounced ribbing and the auxiliary air vent is now fed via a three-dimensional grille (with chrome-effect buttons on the Lounge version) flanked by chrome brightwork to give the New FIAT 500 stronger visual presence.

New 'empty' light clusters, comprised of

centres, define the revised look of the rear, with the fog light and reversing light relocated to the edges of the redesigned bumper trim to improve safety by separating illumination

New alloy wheel designs are also introduced on the New FIAT 500: Pop Star and Lounge models have 15-inch alloy wheels as standard (a £320 option on Pop models) with 16-inch wheels available as a £370 option on Pop models and a £130 upgrade option on Pop Star and Lounge models. An elegant, new diamond-cut design is also available across the range priced

on the rest of the range.

The colour palette now totals 13 hues. including seven special pastel shades ('Bossa Nova White' is standard, the other pastel colours are a £350 option), one tri-coat finish ('Ubran White' at £740) and five metallic colours (a £460 option) including two new colours: Glam Coral and Avantgarde Bordeaux. Two striking black-yellow and blackred variants are also available as part of the FIAT 500 'Second Skin' programme which offers a range of customisation options capable of satisfying every creative taste imaginable.

The all new BMW 3 Series 2015

▲ BMW 340i M Sport Saloon

WHEN an industry segment is named after one car, the domination of that car is evident. Over the past 40 years, 'the 3 Series segment', as it has become known, clearly defines the dimensions and performance of the smaller executive car class. The model range was launched 40 years ago to replace the already legendary BMW 02, and has now just had an extensive update as part of the planned life cycle of what is now the sixth generation. Today, as in 1975, purchasing a BMW 3 Series represents an expression of joy in sporty, agile handling, enthusiasm for innovative technology and appreciation of premium quality.

First unveiled at the 1975 International Motor Show (IAA) in Frankfurt, the BMW 3 Series has since developed into both the brand's most successful model range and an international bestseller. And that makes the 3 Series a highly effective global ambassador for BMW's core attributes. Its history is testament to the advances achieved by the German carmaker in the areas of sporting ability, efficiency, safety, comfort and connectivity, as well as to the development of BMW design.

blazing technological innovations in the BMW 3 Series has also broken new ground in the mid-size class in general. Moreover, for four decades now the BMW 3 Series has led the way with new vehicle concepts that have expanded the brand's model line-up and injected fresh ideas into the segment as a whole. The underlying character of the BMW

3 Series endures from generation to generation, complemented by the addition of new technological advances. Its design has likewise been shaped by a characteristic BMW sense of continuity and evolution. Indeed, throughout the model range's history, its striking front end with twin circular headlights and familiar BMW kidney grille, the dynamic lines of the car's flanks and the powerful rear end have always been quick to catch the eye. As for the interior, the unmistakable driver-focused cockpit design already established itself as a key element in the first model generation. The 3 Series' exceptional run of victories in race competition has also contributed to the car's status as a byword for sports performance. From the success notched up by the original BMW M3 which came in the second generation, E30 series, its enviable record has continued all the way to victory in the German Touring Car Masters (DTM) race series in 2014.

The first generation of the mid-size sedan delighted customers with a level of sporty handling never before offered in this segment, while also impressing with its super-economical engines. Thanks to the performance and sporty, commanding character of those engines, the transfer of power to the rear wheels and the efficiency with which the resultant driving pleasure is conjured up, the BMW 3 Series continues to rise above its rivals to

In 1977, two years after the launch of the new model range, the BMW 3 Series available with six-cylinder engines. Further innovations were to follow, including revolutionary injection and engine management systems, ultra-sporty diesel engines and weight minimisation through the use of aluminium and magnesium.

Today, the new generation of BMW Group engines in the BMW 3 Series lies at the heart of BMW Efficient Dynamics. The continued improvement in engine performance and driving attributes, coupled with reductions in fuel consumption and emissions, has been a decisive factor in securing the pioneering status of the BMW 3 Series.

It's 'term' for some sound lessons with the IAM

THIS week the IAM's head of driving standards, Peter Rodger is offering advice to parents who will be driving their children back to school across England and Wales. Here's how drivers can ensure their children and themselves stay extra safe on our busy roads.

MOTORING VIEW

Make sure your children's school bags and lunches are prepared in advance so you are not leaving in a hurry in the morning. Being rushed will only reduce your concentration at the wheel and will make you drive erratically. A little preparation can go a long way.

Never stop on the zig-zags by the school gate; it's dangerous and you may be given a penalty notice. Once parked in a safe place ensure you let your passengers out on the pavement side.

Be prepared for children trying to get out the car in a rush especially when approaching the school gate. Use the child lock feature and ensure they are wearing their seatbelts so they are secure for the length of the journey.

Try to arrange for a car pool with other parents. The fewer vehicles around the school gate the better.

Roads surrounding schools are sometimes 20mph so it is essential that you keep to the limit and keep an eye out for children crossing the road and emerging from between parked vehicles as they may not be paying attention.

New starters attending reception class are unlikely to understand the

dangers of the road. Bear this in mind when driving nearby and keep your eyes peeled for children wandering into the road alone. If you're dropping off young children, always get out of the car and walk them to the front gate.

Do keep in mind many youngsters in the autumn are walking to school for the first time, especially those going to secondary school. So don't assume because the children are older they will be more aware of what's going on around them. The casualty figures show us this age group is the most likely to be involved in an accident and this time of year is the most likely for it to happen, so take extra care.

Keep in mind that the key time for youngsters going to and coming back from school are from 7.30am and from 3pm. Be aware that bus stops around housing estates will most likely be busy with youngsters getting off and getting on coaches and buses.

If your children are walking to school you should still make them aware of potential hazards on the road. Make sure they look both ways before crossing and encourage them to use a pedestrian crossing if there is one.

Peter said: "Road safety is often the last thing on the minds of parents and children on a busy school morning. But this is the busiest time of the day on our roads - and chances of an accident occurring are much greater. Make sure you teach your children the lessons of road safety when the pressure is off, and they are likely to remember them when it counts."

All-new Ford S-Max and Galaxy achieve maximum 5–star Euro NCAP safety ratings

mover have been awarded the maximum 5-star safety rating by independent crash test authority Euro NCAP.

The technologically advanced S-MAX and Galaxy are offered for the first time with second-row seat side-airbags for additional passenger side-impact protection, and also offer first and second-row seatbelt pre-tensioners with load limiters to further enhance rear passenger safety

Both vehicles use ultra-high strength hydro-formed steel in the A-pillars, B-pillars and roof rails for enhanced side impact performance.

In addition, S-MAX and Galaxy offer Ford's sophisticated Pre-Collision Assist with Pedestrian Detection technology that can reduce the severity of some frontal collisions involving vehicles and pedestrians, or even help drivers avoid some impacts altogether. "As Euro NCAP's 5-star standards climb higher,

Ford vehicles continue to reach the organisation's stringent expectations for crash protection," said Roelant de Waard, vice president, Marketing, Sales & Service, Ford of Europe. Champions Crewkerne Town look to rebuild

Strong start by South Petherton - Merriott Rovers record comes to an end

Thursday, September 3rd Chard Town Res 6 Sidbury Utd 2

Devon & Exeter Premier Division A JAMES BOYLAND hat-trick helped Chard Town Reserves bank their first three-point haul of the new season at Zembard Lane on Thursday

Jamie Barfoot, Braeden Symes and Max Westlake (pen) also netted for the Robins

Saturday, September 5th Chipping Sodbury 1 Chard Town 1

Toolstation Division One — att; 73 A CRACKING half volley from Max Westlake just before the hour earned Chard Town a point from their first ever visit to The Riding.

The hosts had earlier caught the Robins on the break to take the lead in the 28th minute.

The equaliser came when midfielder Westlake collected a pass from keeper Jason Hutchings just over the half way line before unleashing a superb first-time shot.

Chard manager Adam Fricker felt his side, now unbeaten in 14 outings on the road, had done enough to have returned home clutching all three points, he said: "A point away from nome is always decent, but we were disappointed not to have won with the chances we created and having dominated the game.

Robins: Jason Hutchings, Ryan Parris, (Ed Butcher 63), Lewis Waldy, Darren Hutchings, Mark Scott, Shaun Wells-Burr, Max Westlake, Leigh Bailey Oscar Latas, (James Boyland 84) Braeden Symes (James Regan 75)

PERRY STREET LEAGUE PREMIER

CHARD United recovered from a 12-0 mauling at South Petherton in midweek to stun reigning champions Crewkerne Town 3-2 as Premier Division football returned to Jocelyn

Jamie Brown and Davi Rodrigues gave the hosts the early advantage before Jamie Spurdle cut the deficit for the Tigers in the 41t minute.

Spurdle then equalised with a fine free-kick only for Wilf Gosden to net

the winner for United.

Crewkerne joint-manager Matt Bisgrove said: "We felt we could have gone on and won the match but couldn't get the crucial third goal.'

Bisgrove confirmed that, having lost Jonny Manley to Sherborne and Jason Manley to Ilminster expectations a Henhaves were lower this season, he said: "Four or five others have left or retired so we'll be bringing through some youngsters to gain experience and hope to build on them in

Shepton Beauchamp, with playermanager Doug Whitfield having succeeded Aggie Smith at the helm, were another side to bounce back from defeat in midweek.

A Carl Lazenby goal consigned Shepton to a 1–0 defeat against hosts Barrington at Shelway Lane on Thursday, but Whitfield's troops responded well to beat visitors West & Middle Chinnock 5-0.

A double from George Pugson had the hosts in the control at 2-0 at the interval before further strikes from Aaron Sweet and Ben Pitman (2, 1pen) completed the nap-hand.

Meanwhile, Barrington continued their fine start with a comfortable 4-0 win on Combe Reserves' Slades Cross slope.

Carl Lazenby opened the scoring before the Saints were reduced to 10men when skipper Tom Symes was red-carded by referee Martin Bal-

Barrington cruised to victory in the second half with further strikes from Patrick Coll, Andrew Whitefield and MoM Lazenby.

South Petherton have also made an impressive start to their campaign.

Jamie Underwood (5), Paul Holt (2), Ash Smith (2), Haydn Smith, Danny Rendell and keeper Harry Read (pen) scored in the midweek goal fest against Chard United. And Karl Diment's men backed this up with halfa-dozen more in a 6-2 win at Forton

After a goal less first quarter Underwood helped himself to another hat-trick with the other coming from Rendell, Hayden Smith and Tom Case Luke Hanley, a fine 20-yarder, and

new player-manager Alex Thompson netted for the hosts.

Adam Herring is another new manager encouraged by a decent start to the season.

Keeper-manager Herring goals from Dean Hyett and Dan Tolman earn his Beaminster side a 2-1 win in the local-derby with Netherbury in midweek.

And the Rainbows repeated the score line at Winsham on Saturday with Dan Baggs and Richie Runyard on target and Russell Hooker bagging the consolation from the penalty

DIVISION ONE

THE weekend's only league game ended 1–1 between Beaminster Reserves and Crewkerne Rangers at the Memorial Ground.

Rangers lost skipper Steve Bryant through injury early on and trailed 1-0 through a Dan Pyett strike at half-

It looked like it was going to stay that way until Player-Manager Scott Isaacs popped up with the point saver following a defensive mix-up in the 88th minute.

Beaminster manager Ian Butcher said: "We're disappointed - we hit the post and their keeper (Liam Sparks) made three fine saves in the second-

DIVISION ONE CUP

THE weekend's five ties brought three away wins with Waytown Hounds and Thorncombe the only hosts to progress beating Uplyme 2-0 and Pymore 5–3 respectively.

Misterton thrashed Ilminster Colts 7-0 with goals from Scott Jennings (2), Dan Edmunds, Harry Charles Paul McCormack, Harvey Saunders and Tommy Smith.

Drimpton came from behind to win 2–1at Barrington Reserves thanks to a brace from Craig Lodge after Adam Gribble had opened the scoring.

The Pymore v Thorncombe game was switched to Thorncombe with the hosts winning an entertaining

Tim Hussey put Pymore ahead in the 15th minute only for debutant Alex Atkins to round the visiting keeper and roll the ball home for the equaliser four minutes later

The Thorns then surged ahead to lead 3-1at half-time courtesy of two Karl Smith strikes - the first a superb 25-yard free-kick. Hussey scored his second midway

through the second-half but MoM Atkins scored twice to complete a hat-trick before grabbed a late consolation. In addition to Atkins Thorncombe

manager Gary Parsley gave a men-

tion to keeper Luke Abbott. Crewkerne Town Reserves left themselves with a mountain to climb as they trailed visitors Combe A 3-0 after just 20 minutes.

Stuart Weston pulled one back on the stroke of half time and when joint manager Paul Gold scored with a deflected effort the comeback looked to be on. But time ran out and the Saints went marching through with Stuart Packer scoring twice and Cameron Barfoot once

DIVISION TWO

HAVING lost their 30-game unbeaten record to goals from Scott Curtis (2), John Cave and Karl Fletcher in a 4-0 defeat at Chard Rangers in midweek Merriott Rovers' response was emphatic as they thrashed Chard United . Reserves 9-0

George Gillman (3), Dan Rudge (2), Craig Gosney (2), Sam Rowswell and Ash Cooper all got on the score sheet. Rangers made it two from two with

goals from Karl Fletcher and Kevin Cavanagh in a 2-0 win at Hinton.

Up at Lightgate Lane South Petherton Reserves eased to a 5-0 victory over Thorncombe Reserves -Nathan Storey (2), Tim John, Mark Nelson-Nelms and an OG scored for the Magpies.

Combe B went one better with Neil Reid getting hat-trick and Paul Nicholls, Mike Usher and Graham Cleal singles in a 6-1 win over Kingsbury Episcopi at Slades Cross. Ben Norman scored for the Kings.

Over at Brimgrove Lane a Steve Bennett strike earned hosts Shepton Beauchamp Reserves a point from a 1–1 draw with Merriott Dynamos whose scorer was Luke Culver.

Across the border in Devon, Farway United kept their second clean sheet in a row as they beat Winsham Utd Reserves 2-0 with a brace from Bradley King.

DIVISION THREE THE weekend's top scorers were

Dowlish & Donyatt who began life in the league's bottom division with an 11–2 thrashing of Chard Rangers Reserves on their own Jocelyn Park turf. Adam Payne (3), Jon Bartlett (2),

Matty Vinall (2), Toby Symes (2), Toby Knight and George Hayward waded in with the goals with Rich Foote and Jamie Best replying.

Perry Street Reserves weren't too far behind the Dodgers in the goal stakes thrashing hosts Crewkerne Rangers Reserves 7-0. John Duffy (3). Max Patch (2), Isaac Patch, Charlie Grierson and Dale Hutter netted for The Mothers.

Drimpton Reserves went one better by hammering Chard United All Stars 8-0 with goals from Josh Betts (3), Ricky Samways, Ricky Boardman, Adam Tanner, Charlie Adam and an

Finally, the league's two returning teams produced a lively game with hosts Fivehead going down 4-2 against Halstock

Jack Tavener (2), Neil Holt and Sam Blatch netted for Adge Diment's side who also put through their own goal twice for the Fivehead consolations.

Charmouth began life under new manager Kevin Pratt with a 3-2 victory over reformed Netherbury Reserves in the west Dorset derby at

Barrs Lane. The hosts took the lead on the halfhour when a Brin Seward cross hit the far post and Bill Ward pounced on the

rebound The Ambers levelled 10 minutes

later and then took the lead in the 81st minute. But there was still time for Ward to

find the top corner with a fine header to make it 2–2 and in the last attack of the match Seward was felled in the box and Dan Rendell held his nerve to score the 11th hour match winning spot kick

football: A view of the Glovers

Hapless refereeing costs Glovers dearly

Yeovil Town 2 Morecombe 4

SkyBet League Two- att: 3.024 THIS was referee Nick Kinseley's fourth League Two game in charge, and on this display he won't be doing many more in a hurry.

inept performance turned what appeared to be a good game in the making into a sour, niggly encounter. It resulted in the dismissal

of Shaun Jeffers for a foul on Shrimps Aaron McGowan. and Glovers' manager Paul Sturrock being sent to the stands for disputing Kinesley's decision with the fourth official Tim Wood.

I suppose it goes with the territory that the lower the league the poorer the standard; that applies in almost any situation; but this was just about rock bottom in terms of refereeing.

Whether Jeffers red card was warranted is marginal. The Yeovil player did come in with his foot raised as the ball bounced, but McGowan appeared to turn into him as if trying to shield the ball.

There's no doubt Jeffers caught him on the thigh but it was not malicious or premeditated, but the way the defender fell to the ground writhing as if pole axed maybe persuaded Kinesley who was looking straight at the incident, it was a red rather than a vellow.

penalty denied

However, in my mind it was not Jeffers' dismissal that set the tone for the match, but Kinesley's decision not to award a penalty two minutes earlier when Connor Roberts was blatantly pulled back and also pushed as he made his way into the penalty box.

I would suggest he had a good view of the incident as did the assistant, and their failure to ignore the situation changed the tenor of the match for the worse.

Whilst the decision heightened the tension of the players a little, more importantly it appeared to play on his mind, and his performance plummeted from then on into a catalogue of sometimes bizarre decisions.

The loss of Jeffers made Yeovil's task all the more difficult and, whilst they scored a second almost immediately following a superb run and cross down the left by Nathan Smith resulting in an exquisite header from standin striker Omar Sowumni. they ran out of steam on the hour allowing Morecombe to draw level and eventually win.

Considering Sturrock was missing five of his best players to injury, this was a deperformance.

although it has seen them slip to one but bottom, signs are that with a full complement they should start climbing the table.

mega bucks

An obscene total of over £860m was spent in the transfer market during the summer, and despite the claims of the media companies that some of the money they spend goes to grassroot football, this is not strictly true; most of it goes to the Premier league sides to support their academies.

No wonder there were less than 30 per cent of British players playing in the PL last

Ilminster retain title with perfect record

HONITON bowlers enjoyed a short tour to the Midlands last week. They were away for four days although one day was spent being tourists in STRATFORD-UPON-AVON as that is where they stayed. A marvellous time was had, apparently, as well as play:

ing on wonderful bowling greens. The enjoyment came from being together on the tour, a holiday for many, towards the end of the outdoor season.

Because of the bad weather a number of club matches have had to be cancelled.

Congratulations to HANNAH MORFEY who played for Devon at the end of the recent national championships. Hannah played in the under 31 team in the Amy Rose competition at Leamington.

FENITON with Roger Smith IN the final match of the over 60s triples league, the A

team narrowly lost 39–43 to the Division Three champi ons TIVERTON WEST END A. The winning rink was M Evans, J Livings & M Chipperfield.

OTTERY ST MARY with Michael Smith THE last weekend in August saw Ottery host its own in-

ternal 'FINALS WEEKEND'. Saturday proved to be the bet-ter day weather wise, but all matches were completed, though those involved in finals on the Sunday morning were tested in the wet conditions. In the ladies events Shirley Fewtrell won the 4 Woods

beating runner-up Sharon Kenny, unfortunately in the 2 Woods Terri Ward had to withdraw due to a hamstring injury, which meant that Sharon Kenny was declared the winner without a wood being bowled! Carol Keating & Gail Hawke overcame Molly Parker &

Shirley Fewtrell to win the Ladies pairs, with Terry House & Kevin Vernon beating Peter Jones & Ray Luscombe to

The men's 4 Woods saw Steve Hall win a very close match against Terry House, and in the men's 2 Woods Tony Luff proved once again that age is no barrier in winning trophies, 71-year-old Tony beat the much younger John Ward to take the honours.

In the Open Events Shirley Fewtrell added another 4 Woods victory to her tally, overcoming Dave Brown and so becoming Club Champion in the process.

John Pethick won the Open 3 Woods with a nail biting extra end victory over Richard Chapple.

The Otter Trophy, which is open to anyone who has not won a singles trophy, was won by Ray Luscombe with Chris Hawke taking the runners-up spot.

The Nominated Mixed Pairs was won by Molly Parker & Terry House, with Sharon Kenny & Mike Smith runnersup, whilst in the Maurice Jennings Mixed Pairs Sharon Kenny & Mike Smith this time got the win over Margaret Bright & Tony Luff.

The final event of the weekend was the Mixed Triples and though the previous weekend had seen Mike Smith reach his 70th Year, he was part of the winning team with Mick Cissell & Margaret Bright, who narrowly beat Sharon Kenny, Steve Hall and skip Norman Lawrence to lift the trophy.

To round off a great weekend's sport Terri & John Ward

with the help of Terry & Ann House, supplied the members with a fine BBQ, and with Dot Luff and her team supplying lunch and snacks throughout the weekend, thanks go to them all for their hard work, and also to Eric Saunders for organising all the matches over the two days.

In a friendly fixture at home to BRADNINCH, although losing 3 rinks to 1, Ottery won the match 77–75, thanks to a 26–17 rink win by Pam Baker, Mark Allen, Shirley Fewtrell and skip Ray Luscombe.

Ottery then played host to SEATON, again losing 3 rinks to 1, but this time also losing the match 63-84, once again Ray Luscombe skipped the only winning rink 23-15 with Frank Holden. Ann Howells and Brian Braund.

Then, in a re-arranged 2 Counties League game - the last of the season, Ottery had a fine 71–34 victory winning on all four rinks, with the best rink being that of Sharon

HONITON Petanque Club has had a successful first Summer at their new court at Mountbatten Park in Ottery Moor Lane.
The number of people playing petanque, or boules as

it is sometimes known, has been increasing week by week and now they are offering a Wednesday afternoon playing session

Up until now the Club has played on Sunday mornings at 10.30am and Wednesday evenings, but the shorten-ing day length mean that the Wednesday session will move to a 2.15pm start from tomorrow (September 9th) The Sunday session will continue throughout the winter unless it is very cold or wet. Club spokesman Chris Bigmore said: "We are really

pleased with the way the Club is developing. We do not have lighting so we have to move our Wednesday session to an afternoon, this may not be ideal for some but on the plus side this will be an ideal opportunity for people who may not be in full time work to play during the

Otters are worthy champions

FOR the first time in their history, Ottery St Mary Cricket Club's 1st XI will next season compete in the third tier of Devon League cricket after a continuation of their fantastic run of form saw them emphatically claim the C Division (East) title writes Ian Townsend.

The final third of the campaign began with a rare defeat as the visit to Uplyme to face the strongest bowling attack in the league on a 'minefield' of a wicket, resulted in a 39-

The Salston Field side soon returned to winning ways, however, as the short trip to Clyst Hydon yielded a four wicket victory in which Billy Rudolph starred with a five wicket haul and an undefeated 81 and fellow teenager Billy Reed posted a half century.

The Otters powerful batting line up then chased down a near 250-run target in the home clash with Kentisbeare, the prolific Rudolph registering an unbeaten century.

Alphington were then crushed by nine wickets, star paceman Jody Clements claiming seven wickets for just nine

Lewis Townsend's side claimed the title with a game to spare as they dismissed Feniton for 133 in a rain affected game.

A magnificent season concluded as Seaton were beaten in a low scoring contest in which Dan Flower (68) starred with bat and Clements's 5-11 took his tally of wickets to an

Skipper Townsend highlighted the role of the Club's thriving academy in the senior side's success, commenting: 'Our philosophy in investing in young players is really paying off. It's testament to countless hours of work from everyone associated with our academy over many years.

"The fact that we have so many home grown players. guys that have grown up together, has contributed to the fantastic team spirit that we have -every single player has put their hand up and made key contributions at one time or another."

Racquets at the ready First and second places for AVR duo

ON a rather cloudy but dry Bank Holiday Monday, four AVR's made the trip to the beautiful Dartmoor village of LUSTLEIGH for their annual show 10k race.

With 135 runners in the field, the race was won by Arran Tocknell of Torbay AAC in 36:43.

First AVR home and 4th lady and 1st Vet 55 was Eleanor Wood in 48:49. Next home was Dave Thomas 66th in a very respectable time of 54:43. The Kerr family were making their way down to the

south Devon coast for a holiday when Angela thought it would be a great start to the holiday by doing a 10k run en route. Angela finished in 94th in 61:01 and Martin 127th in 70:38.

On Sunday morning Luke Reed took part in the PER-RANPORTH EXTREME SURF TRIATHLON with unsurprisingly a 1000m Surf swim.

Even though the swim didn't live up to its surf reputation it was still tough start to the race which Luke finished in 24:39

On to the 35k two-lap undulating bike ride Luke found the course pretty testing but managed to average over 19mph to finish this section in 1:12:28.

Then onto a very tough 7.5k mini grizzly style run with two cliff runs and over 4k of beach running.

Luke, like everyone else, found this tough but managed 34:55 and gained six places to finish a superb18th overall in 2:13:46.

On Saturday Angela Kerr and Carol Austin ran the TAUNTON PARK RUN.

And in her 87th park run Carol was 4th lady in 22:17 while Angela got a new PB of 25:03.

However, sorting the results by age/grade they were actually first and second!

HONITON RC with Judy Davey

KEVIN Hawker, Julie Payne and Kathy Layzell ran the BRIDGEWATER HALF last Sunday on a very hot day on a fairly flat course with a few hills in the middle.

Kevin came a brilliant 5th overall and first in age group in 1:16:30. He was particularly pleased as it is part of his marathon training and follows a heavy mileage week. Julie also had a very impressive run finishing in

1:35:20 and first in age group, 55th overall

Kathy had a good run but suffered from the heat during the last three miles finishing in 2:16:27 and 257th

The race was won by Oliver Berry of Taunton AC in a time of 1:13:48 and there were 297 finishers.

Howard Bidmead was in North Hampshire at the previous weekend and took part in the ENGLEFIELD 10K. a multi terrain run which takes place completely in the grounds of Englefield House.

Conditions $\bar{\text{were}}$ warm and humid as 262 runners took on a relatively flat course across fields and tracks which had stunning views.

Runners struggled with a long steep hill between seven and 8k before a sharp descent to the finish. Howard continued his fine form finishing 39th in 46.32.

The race was won by Scott Kennedy from Blackwater Valley Runners in 37.35
